MEDIA PACK 2018

your ingredient to success

Why advertise in the snacks magazine?

Where and how you advertise makes a critical statement about your company and how you position yourself in the dynamic and growing sector of international savoury snacks.

The Snacks Magazine is the only publication in Europe that's officially endorsed by the European Snacks Association (ESA), whose membership spans the European Union and beyond.

From its base in the UK, The Snacks Magazine reaches top managers throughout the world. The core readership within the EU today includes the growing markets of Central and Eastern Europe, and the magazine is also read as far afield as North and South America, the Middle and Far East, Pacific Rim, Africa, Asia and Australasia.

The European Snacks Association and The Snacks Magazine together represent a comprehensive source of information on:

- International market trends and drivers
- National and European food industry legislation
- Industry "hot topics"
- New product development
- Technical innovation in production techniques
- International marketing and promotional campaigns
- Market news for commodities such as oils and grains
- Senior executive appointments
- Quality initiatives
- Environmental issues

CIRCULATION BREAKDOWN

Geographical:

72% Europe

including UK, Central and Eastern Europe plus EU and EFTA countries

28% Rest of World

including Middle East, Africa, Far East, South East Asia, Australasia, India and America including all the major markets of North and South America

Readership profile

The Snacks Magazine's circulation targets senior managers in savoury snacks manufacturing and suppliers to this dynamic growth sector. It includes both business and associate members of ESA, plus many subscribers worldwide.

All copies of The Snacks Magazine are distributed by name and title, reaching the industry's key decision-makers four times a year.

Circulation is further extended via distribution at appropriate trade shows on the international exhibition circuit.

27% associate members

This group represents the suppliers to the snacks industry, with companies active in raw materials, ingredients and flavours, packaging machines and materials, turnkey production lines, measuring and monitoring instrumentation and storage and waste handling facilities.

38% subscribers

This is an important element of our readership. These companies who are not members of ESA but are significant players in the savoury snacks sector and related fields, either as manufacturers and suppliers or as Government bodies, consultancies, research institutions and libraries with an active interest in savoury snacks.

As an advertiser in The Snacks Magazine, you can command a prime position among the pages of news and features that have won wide respect from readers for intelligent, in-depth and exclusive coverage of key issues. Through us, you can reach high-level contacts among the major players of today and snacks industry entrepreneurs of the future.

The Snacks Magazine digital edition was launched in 2012. It allows readers to streamline their search across current and archived issues and enables them to connect to their desired content quickly. URLs and emails are live to offer readers an instant opportunity to access advertiser sites or email potential contacts.

Marketing services

Promotional mailings

The Snacks Magazine is the official journal of ESA. It has an exclusive readership of business and associate members representing manufacturers and suppliers worldwide, plus an international subscriber group outside of the Association. As part of a not-for-profit trade association The Snacks Magazine is unable to sell its mailing list, but we CAN offer competitive distribution deals for targeted promotional mailings. Contact the publisher for prices.

Ad Run-ons and reprints

Ad run-ons and reprints act as low-cost promotional flyers. As an advertiser or contributor within a major feature or news page, The Snacks Magazine offers you the opportunity to order run-ons at the time of print or reprints at a later date. These could make a cost-effective contribution to your public relations campaign, exhibition presence or conference or supplement the information you provide to visitors. By ordering before press time, you can save on set-up costs.

Multi-page inserts

This special service offers The Snacks Magazine advertisers the opportunity to mail, as inserts, their product catalogues or promotional brochures/leaflets to our mailing list of companies across the worldwide savoury snacks sector. This service applies to inserts of four pages or more and offers additional savings over regular insert rates. Contact the publisher for details.

Ad development

We can produce your ad! Writing copy and designing an ad for the international market requires specialist expertise. The Snacks Magazine offers its professional in-house design and copywriting expertise to assist those companies currently operating without dedicated agency support - at competitive prices! We also offer a translation service. Call the publisher for details.

Online sponsorship

The online edition of the Snacks Magazine offers the opportunity for advertisers to promote themselves on the sponsorship areas that surround each page throughout the publication. For further details please contact: Jasmin Hill
